

Make Waves: What you do today can change the world around you.

1 John 4:19

DAY
1

Cheers to Love

While you are sitting around as a family, go around the room and tell each person what you love about them. After everyone takes a turn, make a stack with all of your hands and say: "Cheers to love in the *(your family name)* Family!"

THANK God for a family who loves you!

DAY
3

He Loved Us First

With the help of an adult, look up this week's verse in your Bible. Read through the verse a few times together. Then, create motions to the verse. Teach others this verse using the motions you created!

KNOW that we can learn about God's love.

DAY
2

First, Love

Think of all the ways that God shows us love. Create a card, poster, song, or poem and give it to someone you love! Tell them how you can show them love because of the love God shows you.

LOOK for ways that you can show love to others.

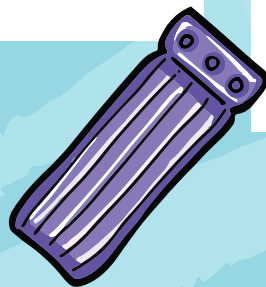

DAY
4

Speak Love

We love because God loved us first. Talk to God about the things you love.

~~~~~  
 "Dear God, Thank You for loving me so much. Also, thank You for giving me things to love like (name things you love). I pray that I can love others like You love me. I love You God, amen."  
 ~~~~~

ASK God to help you love those around you.

Love others because
God loves you.
